## **Article I – Governance and Corporate Structure**

### **Section 1.1 – Governance.**

Seal Beach Mutual No. Fourteen (14) is a stock cooperative housing corporation organized under the California Corporation Law (“Mutual”) and is a General California Corporation providing housing on a non-profit basis. The Mutual is comprised of 328 shares of stock. The Golden Rain Foundation is not a housing corporation, but a corporation that manages the shared community facilities. Each owner of a share of stock in the Mutual (hereinafter “Shareholder”) is a shareholder of the mutual as well as a member of the Golden Rain Foundation. The Mutual has its own set of governing documents, filed with the Secretary of State and transferred to each shareholder through escrow.

### **Section 1.2 – Senior Housing Development.**

According to California Civil Code Section 51.3, in order to reside in a senior housing development at least one occupant must be 55 years of age or older; all other persons who reside must be at least 55 years of age, unless the other occupant is: (1) a spouse or registered domestic partner; or (2) a primary provider of physical health care. Any person wishing to reside in the community must meet the above qualifications and obtain prior approval from the Board of Directors.

### **Section 1.3 – Governing Documents.**

The Mutual’s governing documents include these Rules and Regulations, the Articles of Incorporation, Bylaws, and an Occupancy Agreement between the Mutual and each Qualifying Resident (hereinafter collectively the “Governing Documents”). The Mutual leadership consists of a seven (7) member Board of Directors (hereinafter “Mutual Board”), elected by the shareholders of the Mutual.

### **Section 1.4 – Golden Rain Foundation.**

The purpose of the Golden Rain Foundation (“GRF”) is to develop and maintain facilities and services, acting as Trustee of the Golden Rain Foundation. This includes recreational facilities, security gates, bus transportation system, and community center. One shareholder from the Mutual is elected to serve on the Board of Directors of the GRF.

### **Section 1.5 – Additional Definitions.**

As used herein, the following terms shall have the meanings prescribed below.

**1.5.1** Qualifying Resident – “Qualifying Resident” shall mean any person who: (1) meets the age requirements as set forth in California Civil Code Section 51.3 et seq.; (2) has been approved by the Mutual Board for occupancy of a Unit, pursuant to the terms of the Governing Documents; (3) is a Shareholder of the Mutual; and (4) resides in a Unit.

**1.5.2** Unit – “Unit” shall mean a dwelling unit owned by the Mutual, which a Qualifying Resident has the exclusive right to occupy pursuant to the Occupancy Agreement between the Mutual and Qualifying Resident.

**1.5.3 Qualified Permanent Resident:** Any person who meets the requirements as set forth in California Civil Code Section 51.3, et. seq.

## **Article II – Resident Regulations**

### **Section 2.1 – Co-Occupant.**

The community facilities of the GRF are maintained for the use of members of GRF and Qualifying Residents of the Mutual(s), subject to the following exceptions:

#### **2.1.1 Co-Occupants**

a. Senior citizens, as defined in California Civil Code Section 51.3 (b)(1), who are not Shareholders of the Mutual, but are approved by the Mutual to reside with a Qualifying Resident, shall be entitled to use all of the community facilities upon payment of a fee equal to the Amenities Fee.

b. In order to comply with section 51.3 of the California Civil Code, the following people may reside in the Mutual: (i) a person who is 55 years of age or older; (ii) a person who has completed the Co-Occupant Application; (iii) a person who has written authorization from the Mutual President, or any Mutual Officer so designated by the Mutual President, to reside in the Unit; (iv) a person who has paid the required Amenities Fee to the GRF.

**2.1.2 Qualified Permanent Residents.** Qualified Permanent Residents are persons who are not senior citizens as defined in Civil Code Section 51.3(b)(1), who can present proof that they are eligible to be classified as Qualified Permanent Residents under Civil Code Section 51.3(b)(2). Such Qualified Permanent Residents shall be entitled to use all of the community facilities upon payment of a fee equal to the Amenities Fee.

### **Section 2.2 – Personal Property Liability Insurance.**

All Shareholders (whether residing in the Unit or not) must carry general liability insurance (either in the form of an HO6 policy or a renter's policy) with proper liability coverage. The general liability insurance policy shall cover the entirety of the contents within the Unit, any damage to the interior of the Unit, any damage to property owned by third-parties, and any personal injury occurring in the Shareholder's Unit or adjacent property, for which the Shareholder is responsible. The general liability insurance policy requirements are set out below. The Shareholder shall: (1) Obtain and maintain a general liability insurance policy, at his/her/its sole expense; (2) Be liable for the cost of any deductible their policy has with respect to any claim for which a Shareholder is insured and is liable; and (3) Obtain general liability insurance in an amount sufficient to cover personal injury to other persons who may be injured in their Unit or on other property for which the Shareholder is responsible, but in no event less than \$300,000.00.

The Shareholder and/or Qualifying Resident must provide the Mutual with proof of insurance within thirty (30) days from the date the Qualifying Resident executes the Occupancy Agreement. The Shareholder is not relieved of any liability due to the Shareholder's failure to insure their property.

Notwithstanding any other provision in the Governing Documents, each Shareholder shall be liable for his/her/its own negligent or intentional actions resulting in damage to property or personal injury, including the cost of any Mutual insurance deductible that Shareholder causes the Mutual to incur. The Shareholder is solely responsible for the cost of any damage caused by his/her/its own negligent or intentional actions, including repairing or replacing any damage he/she/it causes to any personal property in the unit, including without limitation, furnishings, interior improvements, floor and wall coverings, appliances, fixtures and any damage to the unit, any other unit, or the building caused by water intrusion from whatever source, fire, or any other cause.

The Mutual shall only be responsible for the routine maintenance, repair, or replacement of Common Areas or facilities and for its own or its agents' and employees' negligent or intentional acts. Shareholder is responsible for any damage caused by the failure of Shareholder's standard fixtures, appliances and plumbing systems.

Although a Shareholder may be unable to occupy the Unit while repairs are being made, the Shareholder shall, nonetheless, be responsible for any living expenses incurred during repairs and the monthly assessment on the Shareholder's Unit regardless of who caused the damage. The Shareholder, may, however, be indemnified by any and all individuals and entities who are liable for the damage making the Unit inhabitable.

### **Section 2.3 – Inspection of Vacant Units.**

Any vacant, unoccupied or seasonal-use unit in Mutual Fourteen shall be inspected every ninety (90) days by a GRF Building Inspector and the Mutual director assigned to the respective building. Inspections shall be conducted during the months of January, April, July and October. The inspection in October may be waived during the years that the Fire/Safety Inspection is conducted. There will be a maintenance/inspection charge for vacant, unoccupied or occasional use Units in the amount of forty dollars (\$40.00) per inspection.

The inspection of vacant units for sale will not be posted. The inspection for unoccupied and seasonal-use units will be posted at least twenty-four (24) hours in advance of the inspection.

### **Section 2.4 – Smoking.**

The Mutual No. Fourteen Occupancy Agreement ("Occupancy Agreement") provides that Shareholders shall not interfere with the rights of other residents and that Shareholders shall not commit or permit any nuisance within the Mutual.

The emission of secondhand smoke from devices including, but not limited to cigarettes, cigars, pipes, hookahs or similar items, may create conditions that interfere with the use and enjoyment

of other Shareholders and Qualifying Resident's units, thereby constituting a nuisance. Thus, all Shareholders, Qualifying Residents, guests, and invitees must comply with the following, regarding secondhand smoke within the Mutual:

1. Any Shareholder and/or a Qualifying Resident/occupant/guest within the Mutual who wishes to smoke any substance (such as cigarettes, cigars, pipes, and/or hookahs or similar items) outside of a Unit may not do so within twenty (20) feet of any residential buildings in Mutual 14. This includes all exterior patios, but not porches.
2. Any damages and/or liability arising from the emission of secondhand smoke in violation of this rule by a Shareholder and/or a Qualifying Resident/occupant/guest, will be borne by the Shareholder and/or Qualifying Resident of the offending Unit.
3. If any Shareholder or Qualifying Resident believes that s/he is entitled to an exception to any of these rules as a reasonable accommodation of a disability, s/he may submit such a request. All requests will be considered on a case-by-case basis.

#### **Section 2.5 – Internal Dispute Resolution.**

California Civil Code §5910 and §5915 provides that the Mutual Boards shall provide a “fair, reasonable and expeditious” procedure for resolving disputes between the Mutual and its members without charging a fee to the member participating in the process. The process is referred to as “Internal Dispute Resolution” (IDR) or “Meet and Confer.”

**2.5.1** The Shareholder may request the Mutual Board to meet and confer in an effort to resolve a dispute. The request shall be in writing.

**2.5.2** A Shareholder may refuse a request to meet and confer with the Board of Directors.

**2.5.3** The Board of Directors shall designate a minimum of two (2) Board Directors to meet and confer with the Shareholder. The Shareholder may bring another person and/or legal representative to the meet and confer. The Shareholder must notify the Mutual if he/she is planning to bring another person and/or legal representative to the IDR. Should Shareholder fail to notify the Mutual of the attendance of another person and/or legal counsel, then the Mutual shall be entitled to reschedule the meeting time and date or such IDR.

**2.5.4** The parties shall meet promptly at a mutually convenient time and place to explain their positions to each other in an effort to resolve any dispute.

**2.5.5** Any proposed resolution of the dispute shall be memorialized in writing and brought to the next Mutual Monthly Meeting for the Board's consideration and final approval.

**2.5.6** All such IDRs are considered to be confidential and may only be discussed in Executive Session.

**2.5.7** Any final agreement between the Board of Directors and the Shareholder shall be in writing and signed by all parties.

## **Section 2.6 – Health Care Providers (Caregivers).**

In order to work as a caregiver in the Mutual, a caregiver must comply with the following:

**2.6.1 Business License.** The Mutual recommends that all Caregivers have a valid business license, issued by the City of Seal Beach and/or work for an agency with a valid business license, issued by the City of Seal Beach.

**2.6.1.1 Exceptions to 2.6.1.** A family member of a Qualifying Resident, who is acting in the capacity of a caregiver is exempt from possessing a business license but must apply and receive a caregiver's pass and badge.

**2.6.3 Pass and Badge Requirements.** All caregivers (including family members without a business license) as an individual, or through an agency, must apply and receive a caregiver's pass and clear badge holder through the GRF Stock Transfer Office. The Pass must: (1) be renewed every six (6) months; (2) be worn in clear sight at all times; and (3) may not be transferred or lent to anyone.

### **2.6.3 Caregiver's Use of Laundry Facilities.**

**2.6.3.1** Part-time caregivers may use laundry facilities for Shareholder's laundry only. Part-time caregivers who use Mutual laundry facilities for their personal or family use will be permanently banned from the Mutual.

**2.6.3.2** Caregivers who serve as 24-hour caregivers, and live within the Qualifying Resident's Unit, may use washers and dryers for their personal use, but may not use the washers and dryers for other family members or friends.

**2.6.4 Qualifying Resident's Requirements.** In order to establish that a Qualifying Resident requires 24/7 care from a Caregiver, the Qualifying Resident must present a doctor's note, stating that 24/7 care is necessary. The note must be on the doctor's original letterhead and must be an original document. The requirement to obtain a doctor's note does not apply to a Qualifying Resident that requires part-time care.

**2.6.5 Caregiver Actions.** Caregivers, as an invitee or the Qualifying Resident, must act in compliance with the Rules and Regulations of the Mutual at all times. Specifically, a Caregiver must cease any noise that could be considered disruptive (i.e. no loud televisions, radios, or talking, so as not to disturb the quiet enjoyment of other Qualifying Residents and Shareholders), after 10:00 p.m. Caregivers are not allowed to have guests or invitees, including without limitation, family members or friends, to the Unit or anywhere within the Mutual. Caregivers shall not bring any pets into the Mutual and/or Leisure World. Caregivers shall not utilize any Mutual and/or GRF community facilities.

**2.6.6 Caregiver Parking.** If a Qualifying Resident does not own a vehicle, the Qualifying Resident's caregiver may use the carport space associated with the Qualifying Resident's Unit, for purposes of parking their own vehicle, only after obtaining a temporary parking permit through the GRF Stock Transfer Office. Such temporary parking permit must always be clearly displayed on dashboard of the caregiver's vehicle.

**Section 2.7 – Listing Inspections & Withdrawal Fee.**

The Mutual shall charge a fee of one thousand five hundred dollars (\$1,500.00) for the inspection process when a Share of Stock is listed for sale.

A shareholder wishing to sell a unit "As is": "As is" must be included in the real estate listing description. The buyer must meet with the Director and the Physical Properties Inspector at the unit to receive and sign a required inspection report and confirm that they acknowledge that the apartment must be brought up to code before it can be occupied. The report is required to close escrow. If the buyer doesn't follow through with the planned remodel, the upgrades needed to bring the apartment up to minimum standards will be the responsibility of the buyer.

All Shareholder who wishes to sell his/her Mutual Stock must first obtain Board waiver of option before the Stock is listed for sale. The Board of the Mutual requires that any Broker who accepts a listing of Stock must complete the following steps before this listing is executed: (1) Deliver to the Stock owner, requesting the listing, a copy of the Mutual Waiver of Option form. Notify the Shareholder that this form must be executed by the Mutual before the listing can be taken; (2) Explain to selling Shareholder that a listing inspection will be made. Give the Shareholder a blank copy of the inspection form; (3) Upon completion of the inspection, a copy of the completed inspection form will be sent to the selling Shareholder; and (4) When the selling Shareholder receives the completed inspection form, he/she should contact the Sales Representative that initially made contact and supplied the listing form.

**Section 2.8 – Escape Tax Deposit.**

In order to avoid escaped property tax due to the County Assessor's Office upon the death of a Shareholder, funds of five thousand dollars (\$5,000.00) will be withheld in escrow to cover the escaped property tax whenever a sale of a certificate is by an estate or heir of the deceased Shareholder or co- owner of the Stock. These funds will be held in a separate account from the Withdrawal Inspection Deposit.

**Section 2.9 – Shareholder Changes.**

When applying to become a Qualifying Resident in the Mutual, outside the parameters of the usual escrow closing procedure as established by the GRF and/or Mutual, and/or whenever an additional person is added to the Stock as a Qualifying Resident, that person shall be notified by the Stock Transfer Office that the following procedures must be followed before such person may become a Qualifying Resident, and occupy the Unit.

A request to waive this fee can be made, at the discretion of the Board, if the inspection is not more than two (2) years old. The inspection must be on file with the Physical Property

Department. This does not pertain to fire inspections or any life-safety inspection. The request can be made in the Stock Transfer Office.

An inspection must be performed by the Physical Property Department at the established fee of two hundred fifty dollars (\$250.00) and the cost of any required maintenance or corrective work is to be determined in accordance with the Qualifying Resident's Occupancy Agreement and Mutual Rules. Any needed work that is the responsibility of the Mutual shall be performed by the GRF Service Maintenance Department.

Non-standard items needing repair are to be accomplished by the prospective Qualifying Resident. Whenever any corrective work (which would be applicable if there was an escrow involved) is needed to bring a unit into compliance with Mutual regulations, and the corrective work is the responsibility of a Qualifying Resident, the corrective work shall be completed by the Qualifying Resident and/or the prospective Qualifying Resident prior to the prospective resident shareholder being added to the stock.

Prospective Qualifying Resident will be informed by the Stock Transfer Office of any monies owed on the Unit. This information will be supplied by the Accounting Department and the Physical Property Department.

The Stock Transfer Office will ensure that all standard procedures and documents are completed and verified in accordance with Mutual and GRF requirements. Also, ensure that a new buyer orientation will be performed by member(s) of the Board.

**Section 2.10 – Lock Resolution.**

All locking devices on any original entrance door of a Unit must be master-keyed to the original keying system for the Mutual. Locking devices installed on the entrance door of a Unit that do not comply must be removed at the expense of the Qualifying Resident or, in the alternative, a GRF lockbox, with an approved red reflector strip attached, containing the key to the front door of the Unit, may be attached to a conspicuous location near the entry door of the Unit ("Lockbox"). Such Lockbox cannot be located at a distance of higher than six (6) feet off the ground. In the event that a locking device does not meet the standards of the Mutual set forth in this Section, and the nature of an emergency requires the Mutual to enter the Unit, the agents and employees of this Mutual are authorized to gain entry by any reasonable means and the expense of repair, if any, shall be the cost of the Qualifying Resident and/or Shareholder.

**Section 2.11 – Plumbing Stoppages.**

Mutual Fourteen shall not pay for any single stoppages of a unit's kitchen sink, bathroom sink or toilet. All back to back side to side or building stoppages will be paid for by the mutual.

**Section 2.12 – Pest Control.**

The Mutual shall be responsible for annual termite inspections, setting rodent bait stations throughout the Mutual, mole, gopher and skunk control, and the removal of bee(s) (includes carpenter bees), wasps' nests and yellow jacket hives, and fleas infesting a Common Area.

The Shareholder is responsible for the treatment of ants, roaches, silverfish, mites, gnats, mosquitoes, flies, vinegar flies, pantry pests, weevils, spiders, earwigs, crickets, lizards, bed bugs, fleas, and any other indoor pest, within the interior of the Unit. The Mutual shall be responsible for exterior treatments required for attics, patios, and garden areas. Shareholders requesting pest control services must contact a Mutual Director who will pass the request on to Service Maintenance. Pest control services are provided weekly. Any changes or deviations from the approved plans must be submitted to the Board, and approved prior to implementation. A majority vote of a quorum of the Board of Directors is necessary for approval and the plans must be approved before the start of construction.

Patio top surface material must be non-skid when wet. All patios must be enclosed by a wall or a fence. Patio wall with cap/fence must be between 18" and 35" high. (See section 3.23 "Exterior Coverings, Awnings and Blinds").

This disclosure must be signed by the selling Shareholder and it will be provided to the purchasing Shareholder with the Licensing and Indemnity Agreement.

**4.2.4 Patio Maintenance Requirements.** Shareholders shall bear any and all costs of the patio including the maintenance of the patio, sprinkler relocation, grass replacement, tree replacement, and flower bed repairs. As a condition of patio approval, the Shareholder must obtain and maintain liability insurance covering any and all lawsuits involving the patio. The Shareholder must agree and sign the Licensing and Indemnity Agreement provided by the Mutual.

**4.2.5 Patio Use Requirements.** Patio items appropriate for patio and outdoor use such as chairs and lounges with cushions are allowed. Storage boxes designed for patio use may not exceed 2 feet in width by 6 feet in length and must not exceed the height of the wall/fence. Patios and areas around patios must be kept free of clutter. If there is a question whether clutter exists, the question will be decided by a vote of the Board. Barbeques may be kept on patios and must be used according to these Rules. Any item in, on, built into or onto a patio in conflict with these Rules must be removed by the Shareholder after ten (10) days written notification. If the item is not removed after the ten (10) day period, the Mutual will have the right to remove the item at the Shareholder's expense. Patio related items must not block walkways or remain on lawns overnight.

**Section 4.3 – Golf Cart Pads.** Shareholders must obtain approval and follow established guidelines for the installation and use of any gas/electric cart or scooter and any necessary pad used for parking and recharging of carts and scooters. Such pads shall not be considered a permanent change to the Unit but shall remain a "non-standard" change. Any parking or charging pad shall be removed upon the resale or transfer of the applicable share of stock at the seller's expense, unless the buyer wants the pad to remain and agrees to such in writing, including an agreement that the buyer will have a golf cart within 30 days. The Shareholder constructing a golf cart pad must contact the Physical Property Department to obtain a permit which must be obtained prior to the start of any construction. Minimum width will be five feet (5') and maximum width of any cart pad will be six feet (6').

Materials allowed: concrete, decorative pavers and decorative stone. Decorative pavers and stone must have a three-inch (3") concrete buffer on each side incorporated into the maximum width of six feet (6') for the cart pad.

By obtaining a permit for the cart pad, the Mutual Board is giving the Shareholder a temporary easement for the exclusive use of a portion of the common area. A cart pad is for parking and charging of gas/electric golf carts. The area cannot be utilized for any use other than charging and parking a golf cart or scooter. If there is no golf cart, the property is to be returned to a grassy area, at the expense of the shareholder. The cart pad may not be used as an outdoor porch. There will be no plants, furniture or decorations of any kind on the pad. The exception would be if the cart pad is an extension of the garden. If the plants on the cart pad fall within the garden area, they will be acceptable, as long as they do not interfere with any space required for any golf cart or scooter using the pad. Notices of violations will be given for any infraction.

Before obtaining the permit, the shareholder will sign a recordable agreement agreeing to all the terms and conditions required to obtain said permit.

All costs related to this installation shall be borne by the Shareholder, including any modifications to the existing sprinkler system which work must be performed by the Mutual's contracted landscaper or other Mutual-approved contractor prior to the construction of the pad.

## **Article V – Landscape Maintenance Manual**

### **Section 5.1 – Purpose of Landscape Maintenance Manual.**

This Article III is included to enhance the enjoyment of the Mutual living style by setting and enforcing standards for Mutual landscaping. This Article III outlines the shared responsibilities of the Mutual and its Shareholders. The Landscape Committee is entrusted with the management of landscaping including the responsibility for inspections and enforcement of this Article III. If all Shareholders follow the policy as outlined below, the landscape areas will display what most Shareholders would consider an appealing appearance of the Mutual, a benefit for all as an attractive place to live and an enhancement of property values in the event of resale.

### **Section 5.2 – Resident Garden Areas.**

The area extending from the exterior wall of the Unit to the mow strip is set aside for the Shareholder's garden. Free-standing objects are permitted in the garden area only. Board approval may be granted for other areas.

### **Section 5.3 – Trees within Garden Areas.**

Trees may not be planted in garden areas, except in tubs, and they must be kept eighteen (18) inches below the eaves. Plants must be cut back so as not to extend over the garden line, in all cases. Removal of any offending growth will be done by the Mutual at the Shareholder's expense. Trees may not be cut down until a certified arborist provides a report to the Landscape Chair and Mutual Board, for approval, on those showing signs of stress, disease, or invasive roots, or which could possibly cause property damage. Older, larger trees should be checked on-site by an arborist yearly. When called for, second opinions must be obtained from an outside, independent California certified arborist. All arborist's reports advising the Mutual Board that the tree is diseased, or the roots are invasive to buildings and cannot be cut back without killing the tree

must be in writing. Trees may not be cut down until a certified arborist provides a report to the Landscape Chair and Mutual Board and the removal is approved in writing by the Mutual.

**Section 5.4 – Plants within Garden Areas.**

Shareholders may plant greenery of their choice from the list of Mutual-approved plants, set forth in Exhibit B within the Shareholder garden area. Shareholders shall not plant any greenery from the list of Mutual non-approved plants, set forth in Exhibit C. Plants with invasive root growth that could potentially damage the Mutual structures and walkways are prohibited. Vines are not permitted to climb on any structures. If a trellis is used, it must be free-standing and be kept eighteen (18) inches below the eaves and twelve (12) inches from the building. All plants must be trimmed back twelve (12) inches from building walls. Shrubs shall not block windows, electric meters, or neighbors' views.

**Section 5.5 – Pest Control and Fertilization within Garden Areas.**

Fertilization and plant pest control within the garden area are the responsibility of the Shareholder. Watering the garden area is also the responsibility of the Shareholder. At the Shareholder's expense, sprinklers may be added within the garden area. Maintenance of sprinklers will be at the Shareholder's expense. All fertilization and plant pest control within the flower bed are the responsibility of Shareholders at their expense. Pesticide application requires careful attention to prevent endangerment to other shareholders and their pets, as well as to beneficial insects.

**Section 5.6 – Potted Plants.**

Potted plants are not permitted on entrance walkways; nor can they inhibit the 36-inch entry requirement. Further, potted plants are not permitted on top of, or hung from Padmount transformers, nor on telephone vaults or walk lights. Cement pavers must be under all pots containing trees or large plants.

**Section 5.7 – Maintenance of Garden Areas.**

After cleaning garden areas or raking leaves, Shareholders should place the leaves or debris in the proper trash bins. At the time of escrow or transfer of stock to a new Shareholder, the Mutual Inspector and the Mutual Board will signify any plants, shrubs or trees that need to be removed. The cost of such removal will be the expense of the seller or transferee of ownership. Planting will be in accordance with the current Mutual Rules and Regulations. If the new Shareholder wishes to do the planting, it will be at his/her expense. Shareholders may design a garden area with slight curves within 36 to 48 inches to enhance their garden areas. First, Shareholders must submit a plan and drawing of the proposed garden area to the Mutual Board prior to work being performed. If approved, the plan and drawing will go into a file for that Unit and be grandfathered in, so that the garden area does not have to be returned to its original configuration if the Shareholder sells his or her share of stock. Shareholders are expected to maintain their flower bed areas to enhance the Mutual and be aesthetically appealing to the appearance of the Mutual. If a Shareholder does not adhere to the requirements of this Article III of the Rules, the Mutual

will advise the Shareholder, in writing, of the problem to be corrected and may take disciplinary action.

**Section 5.8 – Flower Bed in Garden Area.**

Every Shareholder is allowed the privilege of a flower bed area in front of his/her Unit. Flower beds are cultivated, weeded, and trimmed by contracted landscapers every five (5) weeks. Shareholders who desire to do the work themselves may alert the landscapers by placing red flags within the flower bed. Flags are available from gardeners. Landscapers are instructed to remove weeds from all flower bed areas, including Baby’s Tears, wild mint, ivies, and plants of the spiderwort family. These plants can spread onto the lawns or invading neighboring gardens.

**Section 5.9 – Prohibited Uses of Garden Area.**

Front and side gardens may not be used as storage areas. Items such as garden soil, empty pots, garden tools, potting tables, cabinets, scaffolding, shelving, bikes, kayaks and/or surf boards are prohibited in front and side gardens and may not block Unit windows. However, a box with earthquake material is allowed.

**Section 5.10 – Plants may not Touch any Structure.**

In no instance are plants of any sort permitted to become entwined, lay upon, or in any manner touch a roof, an exposed beam, or any portion of a structure, including gutters, as these conditions invite termites, rats and mice. Any plant materials in the flowerbed whose roots are damaging the building structure, walkways, lawn area, or retaining wall must be removed at the expense of the Shareholder and the damages repaired at the Shareholder’s expense. Plants not already trimmed to acceptable standards of one foot (12 inches) from the building and decorative blocks, eighteen (18) inches from the eaves, will be cut back at Shareholder’s expense.

**Section 5.11 – Entrance Walkways.**

Entrance walkways, from the sidewalk to the structure/porch, must be kept free always of potted plants and all other impediments, including electric carts. Nothing that will in any way impede the full use of the 36” wide walkway and entry from the sidewalk to the entrance onto the porch is permitted to remain on the walkway. Plant materials must not extend outside the flower bed limits over scallop borders, walkways, turf areas, or into neighboring flower beds.

**Section 5.12 – Stackable Gardens.**

Shareholders are allowed to have “stackable gardens.” However, the garden must have approved plants and must be kept twelve (12) inches from the building wall and may not go above the decorative fence or be twenty-four (24) inches high from the ground. Plants may not be stacked on the block walls.

**Section 5.13 – Overgrown Flower Bed.**

If a flower bed is deemed to be an eyesore by the Landscape Committee and provides hiding places for spiders and rodents, then the Shareholder will be asked, in writing, to clean it out. If the Shareholder does not clean out the “overgrown” flower bed and/or overabundance of potted

plants, then the Mutual will do it. The Shareholder will not be reimbursed for any plants, pottery, containers or non-authorized “items” in the flower bed.

#### **Section 5.14 – Approved Plants.**

The list of approved plants attached to these Rules as Exhibit “B”. If a Shareholder has a question about a plant that does not appear on the approved list, the Shareholder needs to contact the Landscape/Garden Director for clarification and to obtain written approval from the Director prior to planting. If planted without prior written approval, the Mutual will remove, at its discretion, the offending plant(s) at the Shareholder’s expense. All vegetables and fruit may be grown in pots within the Shareholder’s designated porch ONLY. Pots may not be placed on walkways, sidewalks, or anywhere that will impede emergency access. Pots containing vegetables and trees may be placed on Shareholder’s porch. If placed in the flowerbed, pot must be on a paver large enough to prevent roots from going into the ground. No fruits or vegetables shall be planted or placed within the flowerbed area. The common name of the Approved Plants will be listed first and the botanical or Latin names will follow in parentheses, as set forth in Exhibit “B”.

#### **Section 5.15 – Approved Drought Tolerant Plants and Succulents; Non-Approved Plants.**

The flowers, plants or trees listed on Exhibit “C” hereto may not be planted in garden areas effective as of the date of adoption of these Rules. However, they may be planted in pots and placed on the porch or in the garden on pavers. Additional prohibited flowers or plants may, in the future, be added to this list by the Board of Directors. Any tree or plant will be removed if deemed by the gardener or GRF Building Inspector to have roots that will cause damage to the sewers or infrastructure. The common name of the Non-Approved Plants will be listed first, and the botanical or Latin names will follow in parentheses as set forth in Exhibit “C”.

#### **Section 5.16 – Fruits and Vegetables.**

Land in the 1.8-acre Mini Farms is set aside in Leisure World for vegetable planting. Call Community Facilities (ext. 398) for information and to be put on a waiting list.

#### **Section 5.17 – Donating Trees.**

The Garden Committee wants Shareholders to know that donations of trees to enhance our Mutual’s appearance are greatly appreciated. Trees are one thing that all Shareholder’s enjoy and want to maintain. They provide shade and improve and enrich our living spaces in the Mutual. The Garden Committee welcomes all tree donations. If you would like to donate a tree, the procedure is very simple: Present a proposal to the Garden Committee of what type of tree you want to donate, it’s size and where you would like it planted. If your request meets the criteria set forth by the Garden Committee, the proposal will be presented to the Mutual Board, and a vote will be taken at the monthly Board Meeting. Once approved by the Mutual Board, the tree can be ordered then planted by the Mutual.

**Section 5.18 – Turf Areas.**

Turf areas are described as the ground areas located outside the Unit’s flowerbed area. The Mutual is responsible for the maintenance of this area. Shareholders are not permitted to install, maintain, remove, or relocate plants or any other landscaping materials, in the turf areas, around trees, irrigation corners on green belts, or around light poles. Any plants or other landscaping material that is placed in a turf area by a Shareholder may be removed at Shareholder’s expense. The Mutual Board has the authority to authorize such removal. Shareholders are not permitted to install, relocate, or adjust turf area sprinklers. Shareholders are not permitted to hand-water turf areas except for areas inadequately irrigated by the sprinkler systems. The Mutual will not plant or replace trees in the Mutual turf areas unless there is an eight (8) foot clearance from the entrance walkway and an eight (8) foot clearance from the sidewalk, or an eight (8) foot radius. Temporary use of turf areas by Qualifying Residents requires prior written approval by a Director on the Mutual Board (examples could be a picnic, party, moving, construction material storage, holiday decorations, etc.).

**Section 5.19 – Lamp Posts.**

Lamp posts may not be decorated or have anything attached to them, without Board approval.

**Section 5.20 – Flag Poles.**

All Shareholders must obtain a permit from the Physical Property Department of the GRF prior to installing a flagpole. All Shareholders that wish to install a flagpole must comply with the following requirements:

**5.20.1** Must install the flagpole in the Shareholder’s authorized garden area only at a maximum height of twenty (20) feet. The minimum height varies, but it must be high enough so that the flag does not touch the building or roof of the Unit when whipped by wind gusts.

**5.20.2** Components of the flagpole must be standard aluminum tubing with proper rope cable, flag clamps and a pulley system. The rope cable must have a means to be stretched and tied down so as to not flap in the wind.

**5.20.3** Flagpole must be erected on a concrete base within the Shareholder’s authorized garden area.

**5.20.3.1** The dimensions of the concrete mounting base are:

b. The standard shoe base must be installed and leveled to allow the flagpole to be parallel to the building structure and vertical to earth’s gravity from the ground.

c. The flagpole may not be attached to the structure of the building by any method.

**5.20.4** The flagpole must be maintained in good condition by the Shareholder. If it is not maintained in good condition by the Shareholder, the flagpole will be removed at the Shareholder's expense.

**5.20.5** To remove the flagpole upon the sale or transfer of Unit, at Shareholder's expense, unless the buyer signs an indemnity and release agreement with the Mutual.

**5.20.6** Shareholder must lower the flag at sunset every day it is flown.

The Qualifying Resident pet owner shall acknowledge that the pet owner and the pet are subject to exclusion from the Mutual and the Unit if there is not a compliance with these Rules and registration requirements. The Qualifying Resident pet owner shall acknowledge that failure to comply with these Rules and registration requirements shall be grounds for refusing to permit a pet to be kept in a Unit of the Mutual, and continued violations may cause termination of the Qualifying Resident pet owner's residency; and (5) The insurance carrier for the liability insurance required as to the pet, together with the address of the agent, and the amount of coverage procured shall be indicated on the Pet Ownership Registration Form. Qualifying Resident pet owners shall bring a copy of their insurance policy into the Stock Transfer Office and have a copy

Subject to execution of an agreement by the Qualifying Resident pet owner, a representative of the Mutual, along with the Security Department, may enter the premises, if necessary, to remove the pet only if the Qualifying Resident pet owner refuses to remove the pet at the Mutual Corporation's request, or if the Mutual Corporation cannot contact the Qualifying Resident pet owner to make a removal request, and may take such action with respect to the pet as may be permissible under federal, state and local laws, which may include placing the pet in a facility that will provide care and shelter for a period not to exceed thirty (30) days. If the health or safety of a pet is threatened by the death or incapacity of the Qualifying Resident pet owner, or by other factors that render the Qualifying Resident pet owner unable to

care for the pet, and pursuant to the authorization in the Pet Ownership Registration Form, the Mutual may contact a responsible party or parties listed on the Pet Ownership Registration Form for the purpose of removing and caring for the animal. If the responsible party or parties are unwilling or unable to care for the pet, the Mutual may contact the appropriate state or local authority and request the removal of the pet. If there is no state or local authority, the Mutual Corporation may remove the pet and place it in a facility that will provide care and shelter until the responsible party or representative may be contacted, or the Qualifying Resident pet owner is able to assume responsibility for the pet, but not for longer than thirty (30) days. The cost of the animal care shall be borne by the Qualifying Resident pet owner. In the event that no resolution, as related to the care of the pet under and pursuant to the above is made within thirty (30) days, the Mutual and/or GRF are authorized to deliver the pet to any local humane society or association, either private, state, federal, or county.

The Qualifying Resident pet owner is entitled to be accompanied by another person of his/her choice at a meeting, if a meeting is requested. The Qualifying Resident pet owner’s failure to correct the violation, to request a meeting, or to appear at a requested meeting, may result in an initiation of procedures to terminate the Qualifying Resident pet owner’s occupancy in the Mutual.

## **ARTICLE XVI – PENALTIES, FINES & FEES**

### **Section 16.1 – General Violations.**

In order to enforce the Governing Documents and Rules and Regulations, the Mutual Board may levy, assess, and collect reasonable fines as established by the Board of Directors pursuant to

these Rules and the Fine Schedule attached hereto as Exhibit “D” and incorporated herein. The fines will be assessed against the Shareholder for violations by the Shareholder, members of the Shareholder’s family, or the Shareholder’s guests, invitees, licensee, tenants or lessees, pursuant to the following policy:

**16.1.1 Violations.** If there is a violation of the Governing Documents, including the Occupancy Agreement or these Rules, any Shareholder may contact the Mutual Board or GRF, in order to report the alleged violation to the Mutual Board. Violation reports should be in writing and should describe the violation, identify the alleged violator, and identify the individual making the report. Upon receipt of a violation report, the Mutual Board will commence the enforcement process and determine whether a violation has occurred. The Mutual Board has complete discretion to decide whether or not to take action on a written violation complaint and what action, if any, will be taken. The Mutual Board may investigate any reported violation in order to determine whether the alleged violation has potential merit and, if so, whether the violation warrants action by the Board. Violations may also be noted by members of the Mutual Board, GRF, and/or staff during regular walkthroughs of the Mutual.

**16.1.2 Enforcement Procedures.** The Mutual reserves the right to take legal action in order to enforce compliance with the Governing Documents at any stage in the enforcement process. Serious violations warranting immediate action may be forwarded to legal counsel with or without taking the steps outlined below. Violations which the Mutual Board decides to address internally will be dealt with as follows:

- A. Upon determination that an alleged violation has potential merit, a courtesy notice (warning letter) may, in the discretion of the Mutual Board, be sent to the allegedly offending Qualifying Resident/Shareholder (“Respondent”) identifying the violation and requesting compliance within a stated period of time. A courtesy notice is not required prior to calling Respondent to hearing.
- B. The Mutual shall send a notice of hearing to the Respondent stating the nature of the alleged violation, referencing the specific provision of the Governing Documents which the Respondent is alleged to have violated, and inviting the Respondent to appear at a hearing before the Mutual Board to be held no sooner than fifteen (15) days from the date of the notice. The notice shall further advise the Respondent of his or her right to attend the hearing, submit a statement of defense to the Mutual Board in advance of the hearing or present a statement of defense and supporting witnesses at the hearing. If the Respondent does not attend the hearing, the Respondent waives these rights.
- C. The Mutual Board shall conduct the hearing in executive session (unless requested otherwise by the Respondent) and shall afford the Respondent a reasonable opportunity to be heard.

- D. If the Shareholder is found to be in violation of the Governing Documents following the hearing, the Mutual Board may do any of the following, as noted in the hearing notice:
- a. Impose a monetary fine against the Shareholder pursuant to the Fine Schedule.
  - b. Levy a special reimbursement assessment against the Shareholder pursuant to the Governing Documents.
  - b. Declare the Shareholder to be not in good standing as set forth in these Rules.
  - d. Suspend the Qualifying Resident/Shareholder's voting rights and/or rights to use the recreational facilities if and as provided in the Mutual Governing Documents.
  - e. Any combination of the above.
- E. Any disciplinary action taken should be recorded in the minutes of the meeting at which the disciplinary action was taken by the Mutual Board. No action against the Respondent arising from the alleged violation may take effect before five (5) days after the hearing.
- F. The Mutual Board shall provide the Shareholder with written notice of the outcome of the hearing and any disciplinary action taken by the Mutual Board within ten (10) days after the hearing. In the case of a continuing violation, the notice of hearing decision may include a notice of a continuing fine, if authorized by the Fine Schedule, or notice of a subsequent hearing on the same violation to be held no sooner than thirty (30) days from the original hearing date, unless the violation is sooner remedied.
- G. Fines imposed by the Mutual Board after a hearing shall be due immediately upon notice of the hearing decision to the Owner. Special Assessments levied by the Mutual Board shall be due thirty (30) days from the date of the notice of hearing decision, or upon such other later date specified therein not to exceed sixty (60) days from the date of the notice.

**16.1.3 Fine Schedule.** The schedule of monetary penalties which the Mutual Board may impose for general violations in accordance with the above procedures is attached to these Rules as Exhibit "D". The Mutual Board reserves the right to revise the Fine Schedule at any time through a rule change procedure and the most recent Fine Schedule shall be distributed to the Shareholders on an annual basis. Fines for parking violations are not included in Exhibit "D" but, rather, are set forth below in Section 14.2.7 of these Rules.

**Section 16.2 – Parking Violations.**

Any Shareholder or Qualifying Resident charged with the violation (Violator) can pay the fine or the Violator has the right to contest the "rules violation" in writing to the Parking Rules Violations (PRV) panel within ten (10) business days of the date of the violation. If Shareholder provides written notice that he/she is contesting the violation, a hearing will be scheduled by the PRV of the Mutual. Violator may submit a response in writing within ten (10) business days of the violation to the PRV, if they are unable to attend the hearing. Shareholders will be notified in writing of the results of the hearing within fifteen (15) business days. Except that contractors will be adjudicated by the Facilities Director, Health Care Center (HCC) employees will be adjudicated by HCC management and GRF employees will be adjudicated by GRF Human Resources Department.

**16.2.1** The written Rules Violation Notice ("Citation") serves as written notice of the violation and hearing (Civ. Code Section 5855). The following items will be set forth in the written Citation: (1) Description of violation, including time of violation and location and possible penalties (including possible monetary penalties); and (2) Hearing date, time, and location of Hearing.

**16.2.2** The Notice Handout supplements the Citation and must contain the following: (1) The date, time, and place of the hearing; (2) The nature of the alleged violation (including the date/time and location) for which a Shareholder may be disciplined; (3) A statement that the Shareholder has a right to attend the hearing and present evidence.(Civ. Code Section 5855(b); (4) Notification that a failure to respond will acknowledge acceptance of the violation and the corresponding fine may be imposed; and (5) A section to indicate the need for an interpreter and the language requested. The PRV must be notified at least ten (10) business days prior to the hearing if the Shareholder will bring an interpreter.

**16.2.3** A Shareholder may request one extension of the panel hearing under these following circumstances: (1) An extension of Hearing date at least 48 (forty-eight) hours prior to the scheduled PRV hearing with no explanation; (2) An extension for medical, health or family issues; (3) The written notification to the PRV panel that the Violator is bringing a lawyer. This will require a minimum 30-day extension to ensure Mutual attorney will be present; or (4) A second extension may be granted by the PRV.

**16.2.4** The Shareholder has the right to examine and refute evidence. The photos may be viewed in the Security Office by appointment. The Security Department will have a representative present to explain all relevant information and evidence. This may include questions during the hearing. Shareholders also have the right to submit their defense in writing rather than make an appearance before the PRV. The Shareholder may bring an Observer or interpreter. The PRV panel hearing is a closed meeting. Hearings will be held in executive session. The Shareholder may request an open hearing. If the Shareholder does not appear at the scheduled hearing without prior notification to the PRV panel, this will be accepted as agreement by the Shareholder of the validity of the violation and the appropriate fine may be assessed.

**16.2.5** The PRV panel shall make "findings" to support the panel's decision regarding the alleged violation. Findings may allow for vacating the citation. . Notice of the panel's decision must be given by first-class mail within 15 business days following the PRV's decision. The letter of decision shall include the PRV panel's findings.

**16.2.6** The PRV panel will meet on the 4th Monday of each month at 9:00 a.m. in Administration Conference Room A. A second meeting will be scheduled if the volume of hearing requests is too large; in which case the panel will also meet on the 4th Wednesday at 1:00 p.m. in Conference Room B.

**16.2.7** All violations of the Parking Rules as set forth in Article IV of these Rules and Regulations, may be assessed a monetary penalty in the following amounts:

(1) First Offense. The first offense may result in either a Fix-It citation, a Warning, a Fine or the vehicle being towed. See table below. A Fix-It citation provides the Qualifying Resident with thirty (30) days to correct the issue set forth in the Fix-It citation. The fine *may* be waived by the PRV panel.

(2) Additional citations may be issued after each 24-hour period.

(3) After the fourth RV or VUFR violation all RV or VUFR parking privileges are suspended for twelve (12) months beginning with the date of the fourth infraction.
