SEAL BEACH MUTUAL NO. FOURTEEN**Rules and Regulations****2.2. Section 2.2 – Personal Property Liability Insurance.**

All Shareholders (whether residing in the Unit or not) must carry general liability insurance (either in the form of an HO6 policy or a renter's policy) with proper liability coverage. The general liability insurance policy shall cover the entirety of the contents within the Unit, any damage to the interior of the Unit, any damage to property owned by third parties, and any personal injury occurring in the Shareholder's Unit or adjacent property, for which the Shareholder is responsible. liable for the damage making the Unit inhabitable. (See Form 14-7586-4).

2.3. Section 2.3 – Inspection of Vacant Units.

Any vacant, unoccupied or seasonal-use unit in Mutual Fourteen shall be inspected every ninety (90) days by a GRF Building Inspector and the Mutual director assigned to the respective building. The emission of secondhand smoke from devices including, but not limited to cigarettes, cigars, pipes, hookahs or similar items, may create conditions that interfere with the use and enjoyment of other Shareholders and Qualifying Resident’s units, thereby constituting a nuisance. Thus, all Shareholders, Qualifying Residents, guests, and invitees must comply with the following, regarding secondhand smoke within the Mutual:

Any Shareholder and/or a Qualifying Resident/occupant/guest within the Mutual who wishes to smoke any substance (such as cigarettes, cigars, pipes, and/or hookahs or similar items) outside of a Unit may not do so within twenty (20) feet of any residential buildings in Mutual 14. This includes all exterior patios, but not porches.

2.4.2. Any damages and/or liability arising from the emission of secondhand smoke in violation of this rule by a Shareholder and/or a Qualifying Resident/occupant/guest, will be borne by the Shareholder and/or Qualifying Resident of the offending Unit.

2.4.3. If any Shareholder or Qualifying Resident believes that s/he is entitled to an exception to any of these rules as a reasonable accommodation of a disability, s/he may submit such a request. All requests will be considered on a case-by-case basis.

considered a permanent change to the Unit but shall remain a “non-standard” change. Any parking or charging pad shall be removed upon the resale or transfer of the applicable share of stock at the seller’s expense, unless the buyer wants the pad to remain and agrees to such in writing, including an agreement that the buyer will have a golf cart within 30 days. The Shareholder constructing a golf cart pad must contact the Physical Property Department to obtain a permit which must be obtained prior to the start of any construction. There will be no plants, furniture, or decorations of any kind on the pad. The exception would be if the cart pad is an extension of the garden. If the plants on the cart pad fall within the garden area, they will be acceptable, as long as they do not interfere with any space required for any golf cart or scooter using the pad. Notices of violations will be given for any infraction.

Before obtaining the permit, the shareholder will sign a recordable agreement agreeing to all the terms and conditions required to obtain said permit.

All costs related to this installation shall be borne by the Shareholder, including any modifications to the existing sprinkler system which work must be performed by the Mutual’s contracted landscaper or other Mutual-approved contractor prior to the construction of the pad.

display what most Shareholders would consider an appealing appearance of the Mutual, a benefit for all as an attractive place to live and an enhancement of property values in the event of resale.

5.2. Section 5.2 – Resident Garden Areas.

The area extending from the exterior wall of the Unit to the mow strip is set aside for the Shareholder's Garden. Free-standing objects are permitted in the garden area only. Board approval may be granted for other areas.

5.3. Section 5.3 – Trees within Garden Areas.

Trees may not be planted in garden areas, except in tubs, and they must be kept eighteen (18) inches below the eaves. Plants must be cut back so as not to extend over the garden line, in all cases. Removal of any offending growth will be done by the Mutual at the Shareholder's expense. Trees may not be cut down until a certified arborist provides a report to the Landscape Chair and Mutual Board, for approval, on those showing signs of stress, disease, or invasive roots, or which could possibly cause property damage. Older, larger trees should be checked on-site by an arborist yearly. When called for, second opinions must be obtained from an outside, independent California certified arborist. All arborist's reports advising the Mutual Board that the tree is diseased, or the roots are invasive to buildings and cannot be cut back without killing the tree must be in writing. Trees may not be cut down until a certified arborist provides a report to the Landscape Chair and Mutual Board and the removal is approved in writing by the Mutual.

5.4. Section 5.4 – Plants within Garden Areas.

Shareholders may plant greenery of their choice from the list of Mutual-approved plants, set forth in Exhibit B within the Shareholder Garden area. Shareholders shall not plant any greenery from the list of Mutual non-approved plants, set forth in Exhibit C. If a trellis is used, it must be free-standing and be kept eighteen (18) inches below the eaves and twelve (12) inches from the building. All plants must be trimmed back twelve (12) inches from building walls. Shrubs shall not block windows, electric meters, or neighbors' views.

5.5. Section 5.5 – Pest Control and Fertilization within Garden Areas.

Fertilization and plant pest control within the garden area are the responsibility of the Shareholder. Watering the garden area is also the responsibility of the Shareholder. At the Shareholder's expense, sprinklers may be added within the garden area. Maintenance of sprinklers will be at the Shareholder's expense. All fertilization and plant pest control within the flower bed are the

5.6. Section 5.6 – Potted Plants.

Potted plants are not permitted on entrance walkways; nor can they inhibit the 36-inch entry requirement. Further, potted plants are not permitted on top of, or hung from Pad mount transformers, nor on telephone vaults or walk lights. Cement pavers must be under all pots containing trees or large plants.

5.7. Section 5.7 – Maintenance of Garden Areas.

After cleaning garden areas or raking leaves, Shareholders should place the leaves or debris in the proper trash bins. At the time of escrow or transfer of stock to a new Shareholder, the Mutual Inspector and the Mutual Board will signify any plants, shrubs or trees that need to be removed. The cost of such removal will be the expense of the seller or transferee of ownership. Planting will be in accordance with the current Mutual Rules and Regulations. If the new Shareholder wishes to do the planting, it will be at his/her expense. Shareholders may design a garden area with slight curves within 36 to 48 inches to enhance their garden areas. First, Shareholders must submit a plan and drawing of the proposed garden area to the Mutual Board prior to work being performed. If approved, the plan and drawing will go into a file for that Unit and be grandfathered in, so that the garden area does not have to be returned to its original configuration if the Shareholder sells his or her share of stock. Shareholders are expected to maintain their flower bed areas to enhance the Mutual and be aesthetically appealing to the appearance of the Mutual. Shareholders should have a minimum of approved decorative stones or chips over an approved weed barrier at the shareholder's expense. If a Shareholder does not adhere to the requirements of this Article III of the Rules, the Mutual will advise the Shareholder, in writing, of the problem to be corrected and may take disciplinary action.

5.8. Section 5.8 – Flower Bed in Garden Area.

Every Shareholder is allowed the privilege of a flower bed area in front of his/her Unit. Flower beds are cultivated, weeded, and trimmed by contracted landscapers every five (5) weeks. Shareholders who desire to do the work themselves may alert the landscapers by placing red flags within the flower bed. Flags are available from gardeners. Landscapers are instructed to remove weeds from all flower bed areas, including Baby's Tears, wild mint, ivies, and plants of the spiderwort family. These plants can spread onto the lawns or invading neighboring gardens.

SEAL BEACH MUTUAL NO. FOURTEEN**Rules and Regulations****5.9. Section 5.9 – Prohibited Uses of Garden Area.**

Front and side gardens may not be used as storage areas. Items such as garden soil, empty pots, garden tools, potting tables, cabinets, scaffolding, shelving, bikes, kayaks and/or surf boards are prohibited in front and side gardens and may not block Unit windows. However, a box with earthquake material is allowed.

5.10. Section 5.10 – Plants may not Touch any Structure.

In no instance are plants of any sort permitted to become entwined, lay upon, or in any manner touch a roof, an exposed beam, or any portion of a structure, including gutters, as these conditions invite termites, rats, and mice. Any plant materials in the flowerbed whose roots are damaging the building structure, walkways, lawn area, or retaining wall must be removed at the expense of the Shareholder and the damages repaired at the Shareholder's expense. Plants not already trimmed to acceptable standards of one foot (12 inches) from the building and decorative blocks, eighteen (18) inches from the eaves, will be cut back at Shareholder's expense.

5.11. Section 5.11 – Entrance Walkways.

Entrance walkways, from the sidewalk to the structure/porch, must be kept free always of potted plants and all other impediments, including electric carts. Nothing that will in any way impede the full use of the 36" wide walkway and entry from the sidewalk to the entrance onto the porch is permitted to remain on the walkway. Plant materials must not extend outside the flower bed limits over scallop borders, walkways, turf areas, or into neighboring flower beds.

5.12. Section 5.12 – Stackable Gardens.

Shareholders are allowed to have "stackable gardens." However, the garden must have approved plants and must be kept twelve (12) inches from the building wall and may not go above the decorative fence or be twenty-four (24) inches high from the ground. Plants may not be stacked on the block walls.

5.13. Section 5.13 – Overgrown Flower Bed.

If a flower bed is deemed to be an eyesore by the Landscape Committee and provides hiding places for spiders and rodents, then the Shareholder will be asked, in writing, to clean it out. If the Shareholder does not clean out the "overgrown" flower bed and/or overabundance of potted plants, then the Mutual will do it. The Shareholder will not be reimbursed for any plants, pottery, containers, or non-authorized "items" in the flower bed.

5.14. Section 5.14 – Approved Plants.

approved list, the Shareholder needs to contact the Landscape/Garden Director for clarification and to obtain written approval from the Director prior to planting. If planted without prior written approval, the Mutual will remove, at its discretion, the offending plant(s) at the Shareholder's expense. All vegetables and fruit may be grown in pots within the Shareholder's designated porch ONLY. Pots may not be placed on walkways, sidewalks, or anywhere that will impede emergency access. Pots containing vegetables and trees may be placed on Shareholder's porch. If placed in the flowerbed, pot must be on a paver large enough to prevent roots from going into the ground. No fruits or vegetables shall be planted or placed within the flowerbed area. The common name of the Approved Plants will be listed first, and the botanical or Latin names will follow in parentheses, as set forth in Exhibit "B".

5.15. Section 5.15 – Approved Drought Tolerant Plants and Succulents; Non-Approved Plants.

The flowers, plants or trees listed on Exhibit "C" hereto may not be planted in garden areas effective as of the date of adoption of these Rules. However, they may be planted in pots and placed on the porch or in the garden on pavers. Additional prohibited flowers or plants may, in the future, be added to this list by the Board of Directors. Any tree or plant will be removed if deemed by the gardener or GRF Building Inspector to have roots that will cause damage to the sewers or infrastructure. The common name of the Non-Approved Plants will be listed first, and the botanical or Latin names will follow in parentheses as set forth in Exhibit "C".

5.16. Section 5.16 – Fruits and Vegetables.

Upon determination that an alleged violation has potential merit, a courtesy notice (warning letter) may, in the discretion of the Mutual Board, be sent to the allegedly offending Qualifying Resident/Shareholder ("Respondent") identifying the violation and requesting compliance within a stated period of time. A courtesy notice is not required prior to calling Respondent to hearing.

16.1.2.2. The notice shall further advise the Respondent of his or her right to attend the hearing, submit a statement of defense to the Mutual Board in advance of the hearing or present a statement of defense and supporting witnesses at the hearing. 16.1.2.6. The Mutual Board shall provide the Shareholder with written notice of the outcome of the hearing and any disciplinary action taken by the Mutual Board within ten (10) days after the hearing. In the case of a continuing violation, the notice of hearing decision may include a notice of a continuing fine, if authorized by the Fine Schedule, or notice of a subsequent hearing on the same violation to be held no sooner than thirty (30) days from the original hearing date, unless the violation is sooner remedied.

16.1.2.7. Fines imposed by the Mutual Board after a hearing shall be due immediately upon notice of the hearing decision to the Owner. The PRV must be notified at least ten (10) business days prior to the hearing if the Shareholder will bring an interpreter.

16.2.3. This will require a minimum 30-day extension to ensure Mutual attorney will be present; or (4) A second extension may be granted by the PRV.

16.2.4. The Shareholder has the right to examine and refute evidence. The photos may be viewed in the Security Office by appointment. 17.11. Section 17.11 – Suspend Privileges and Voting Rights.

The Board may, having provided the Shareholder with a Notice of Hearing pursuant to Civil Code Section 5855, suspend the common area privileges and voting rights of any Shareholder who is more than thirty (30) days delinquent in paying any Assessment. 18. ARTICLE XVIII – LEASING RULES AND REGULATIONS**INTRODUCTION**

The Board of Directors (“Board”) of Seal Beach Mutual No. Fourteen (“Mutual”) has adopted the following Leasing Rules and Regulations (“Leasing Rules”) in accordance with Civil Code §4740, et seq., to establish certain procedural rules for the rental of Units within the Mutual. To the extent that these Leasing Rules conflict with the Governing Documents of the Mutual, these Leasing Rules are intended to replace and supersede the provisions of the Mutual’s Governing Documents, including without limitation, the Occupancy Agreement, Rules and Regulations and Policies, that discuss the rental or lease of a Unit. These Leasing Rules were revised and adopted by the Board to comply with the changes to California Civil Code §§ 4740 and 4741 which take effect on January 1, 2021, pursuant to California Assembly Bill 3182.

DEFINITIONS

For the purposes of these Leasing Rules the definitions set forth below shall apply. To the extent any term is capitalized herein but not defined, the definition set forth in the Mutual’s Bylaws shall apply.

Lease: A lease or rental agreement, whether or not in writing and regardless of whether any consideration is paid, entered into between a Shareholder and a Tenant for the Tenant’s occupancy of the Shareholder’s Unit.

SEAL BEACH MUTUAL NO. FOURTEEN**Rules and Regulations**

Tenant: Any person who: (i) meets the age requirements set forth in California Civil Code Section 51.3, et. seq., specifically a person who is 55 years of age or older; and (ii) occupies any portion of a Unit at the Development pursuant to a Lease, irrespective of any rent paid or compensation given to the Shareholder of the Unit for such occupancy. All Tenants must sign the Addendum as further described in these Leasing Rules. Only persons who have signed the Addendum may reside in the Unit.

Rules and Regulations**18.1. Section 18.1 – Leasing of Units.**

The rental or leasing of any Unit shall be subject to the provisions set forth herein. When the term “rent” is used herein, it shall be deemed to mean and include the rental and/or leasing of a Unit.

18.2. Section 18.2 – Residential Purpose.

Each residence shall be used only as a residential dwelling for a single household. A Shareholder may rent/lease his or her Unit for such residential purpose under a Lease, pursuant to these Leasing Rules. The number of persons residing in a Residence at any time shall comply with the Shareholder’s Occupancy Agreement and Addendum, all City and County codes, regulations, and ordinances regarding the occupancy of residential dwellings, and may not exceed any occupancy limits established under such codes, regulations, or ordinances. No Tenant or occupant of the Unit may have a pet of any species.

18.3. Section 18.3 – Addendum to Occupancy Agreement.

Any Shareholder approved by the Mutual to lease out his/her Unit is required to execute an addendum to his/her Occupancy Agreement (“Addendum”). Such Addendum will also require the signature of each Tenant. The failure of the Shareholder and/or the Tenant to sign the Addendum shall be deemed a waiver of the Shareholder’s right to rent the Unit.

18.3.1. Cost of Addendum.

Shareholder shall pay the cost incurred by the Mutual for the Mutual’s legal counsel to prepare such Addendum, in addition to the cost to have the Addendum notarized and recorded, promptly upon request.

18.4. Section 18.4 – Restriction on Number of Units Leased.

18.4.1. No more than twenty five percent (25%) of the Units in the Mutual shall be rented at any time (the “Leasing Cap”).

18.4.2. A shareholder desiring to rent his or her Unit may submit to the Board a written request for approval to rent. No Shareholder shall rent his or her Unit prior to receiving written approval from the Board.

SEAL BEACH MUTUAL NO. FOURTEEN**Rules and Regulations**

- 18.4.2.1.** The Board shall respond to any Shareholder's written request for approval to rent the Shareholder's Unit within forty-five (45) days of the Board's receipt of such request. If the Board does not respond to the Shareholder's written request at the Shareholder's last known address of record within this time period, permission to rent shall be deemed to have been approved by the Board.
- 18.4.2.2.** The Board shall deny a Shareholder's request for approval to rent the Shareholder's Unit if the number of rented Units, plus the number of Units for which other Shareholders have received Board approval to rent but which are not yet rented, plus the Shareholder's Unit (the "Leased Unit Calculation") exceeds twenty-five percent (25%) of the Units in the Mutual. If the Leased Unit Calculation does not exceed twenty-five percent (25%) of the Units in the Mutual, the Board shall grant a Shareholder's request for rental approval.
- 18.4.2.3.** In the event a Shareholder's request for approval to rent is denied, the Shareholder shall be placed on a waiting list maintained by the Mutual, and the Shareholder shall be given an opportunity to rent his or her Unit when such Shareholder's name is first on the waiting list and the Leased Unit Calculation no longer exceeds twenty-five percent (25%) of the Units in the Development.
- 18.4.2.4.** If a Shareholder who has been approved to rent his or her Unit fails to rent his or her Unit within ninety (90) days of the date of rental approval, the Shareholder's written approval to rent from the Board shall expire. In such event, the Shareholder shall be required to submit a new written request to rent his or her Unit in accordance with the foregoing provisions.
- 18.4.2.5.** If a Lease for an approved rental of a Shareholder's Unit expires or terminates and the Shareholder does not enter into a new Lease for the Shareholder's Unit within ninety (90) days of the expiration or termination of the prior Lease, the Shareholder's written approval to rent shall expire. In such event, the Shareholder shall be required to submit a new written request to rent his or her Unit in accordance with the foregoing provisions.
- 18.4.2.6.** At no time may a prospective Shareholder or any non-Shareholder be added to the Wait List.

SEAL BEACH MUTUAL NO. FOURTEEN**Rules and Regulations****18.5. Section 18.5 – Lease Requirements.**

18.5.1. Subject to the Leasing Cap, and the provisions set forth above, a Shareholder may rent his or her Unit pursuant to a Lease that is: (A) in writing; (B) for a term of at least thirty (30) days (the “Minimum Lease Term”); and (C) subject in all respects to the Governing Documents, including, but not limited to, the Occupancy Agreement, provided it does not conflict with the terms contained herein.

18.5.2. The Shareholder is required to provide the Tenant with a copy of all Governing Documents, and any amendments thereto for the duration of the tenancy and Lease and ensure that the Tenant understands and acknowledges and agrees to be bound by the same. The Shareholder must provide the Mutual with written confirmation of the foregoing. The Lease shall include a statement that any failure by the Tenant to comply with the Governing Documents will constitute a default under the Lease. The following paragraph, or a substantially similar paragraph, shall be included in each Lease: “In accepting this Lease, Tenant acknowledges that Tenant has received, read, and understands Occupancy Agreement for Unit __, dated __, and any addendum thereto, and the Bylaws, rules, regulations, and policies of Seal Beach Mutual No. Fourteen (the “Governing Documents”). Tenant agrees to comply with the terms of the Governing Documents, and acknowledges that any failure by Tenant, or Tenant’s family members, social guests, houseguests, servants, employees, or agents, to comply with the terms of the Governing Documents shall constitute a material default under this Lease and may result in the early termination of this Lease.”

18.5.3. No less than the entirety of a Unit may be rented under a Lease, or otherwise. Notwithstanding the foregoing, one (1) roommate paying rent to a Shareholder may reside simultaneously with a Shareholder in the Shareholder’s Unit. Any roommate contemplated herein must meet the age requirements of a Tenant, specifically set forth in California Civil Code Section 51.3, et. seq. The foregoing exemption shall only apply to Units with two (2) bedrooms.

18.5.4. No sub-rental or sub-lease of a Unit shall be permitted, and no Unit may be used for vacation rentals (for example only, listed on Airbnb, VRBO or a similar website) or rented to a corporate housing company.

18.5.5. No Unit may be leased for hotel or transient purposes.

18.5.6. The Lease must provide that upon the notice of intent to transfer Stock, the Lease shall terminate, and the Tenant must vacate the premises and remove all personal property within thirty (30) days. The transfer of Stock cannot take place unless and until Tenant has

18.5.9. Tenant must acknowledge the Mutual's right to initiate an unlawful detainer action against the Shareholder in the event: (1) the Tenant fails to abide by the terms of the Mutual's Governing Documents and the Shareholder fails to initiate an unlawful detainer action within thirty (30) days of notice from the Mutual Board of the same; and/or (2) the Shareholder's Share of Stock is terminated. Any expenses and attorneys' fees incurred by the Mutual, shall be paid as set forth in Section 7.1.2 of these Leasing Rules.

18.5.10. Tenant must acknowledge the Mutual's right to initiate an unlawful detainer action against the Shareholder in the event: (1) the Tenant fails to abide by the terms of the Mutual's Governing Documents and the Shareholder fails to initiate an unlawful detainer action within thirty (30) days of notice from the Mutual Board of the same; and/or (2) the Shareholder's Share of Stock is terminated. Any expenses and attorneys' fees incurred by the Mutual, shall be paid as set forth in Section 7.1.2 of these Leasing Rules.

18.6. Section 18.6 – Exemptions; Enforcement.

18.6.1. If a Shareholder rents his or her Unit without approval from the Board, or otherwise in violation of the provisions of these Leasing Rules, the Mutual is authorized to pursue all of its available legal rights and remedies against the Shareholder to enforce such violation and the Shareholder shall be subject to disciplinary measures, including, but not limited to: (a) a monetary penalty in an amount to be determined by the Board; (b) other disciplinary measures; (c) termination of the Occupancy Agreement; (d) injunctive relief; and/or (e) a Reimbursement Assessment in an amount equal to the costs incurred by the Mutual related to addressing such violation, including, without limitation, attorneys' fees and costs, irrespective of whether the Mutual is able to obtain a court order to evict the Tenant or otherwise effectuate the legal eviction of the non-compliant Shareholder and/or Tenant from the

Lease, and the Mutual shall have no such responsibility. Each Shareholder hereby agrees to indemnify, defend, and hold harmless the Mutual and its Directors, officers, agents, representatives, employees, and attorneys, as may be applicable, from and against any and all claims by a Tenant or any third party that the Mutual failed to fulfill the duties of landlord or lessor under any Lease for the Shareholder's Unit.

18.10. Section 18.10 – Shareholder Insurance Requirements.**18.10.1. Property Damage and General Liability Insurance.**

Each Shareholder is responsible for insuring his or her personal property located within the Mutual. Each Shareholder is also responsible for ensuring all buildings, structures, and other Improvements contained within or located upon the Shareholder's Unit (including, but not limited to the Shareholders' Residences) against fire and other casualty. Nothing in these Leasing Rules precludes any Shareholder from carrying public liability insurance as he or she may deem reasonable, however, such insurance coverage may not adversely affect or diminish any coverage under any of the Mutual's insurance policies. If any loss intended to be covered by insurance carried by or on behalf of the Mutual occurs and the proceeds payable are reduced due to insurance carried by a Shareholder, such Shareholder shall assign the proceeds of the Shareholder's insurance to the Mutual, to the extent of such reduction, for application to the same purposes as the reduced proceeds are to be applied.

18.10.2. Renter's and Landlord's Insurance.

A Shareholder whose Unit is subject to a Lease shall require as a term of the Lease that the Tenant is required, at all times during the Tenant's tenancy and occupancy of the Shareholder's Unit, to obtain and maintain "renter's insurance" of no less than fifty thousand dollars (\$50,000.00), insuring, including without limitation, the Tenant for general liability, property damage, and the replacement value of the Tenant's personal property and belongings located in the Unit from damage and loss. Such Shareholder shall also be required to maintain "landlord's insurance" during the period of the Lease, under an insurance policy that covers the Shareholder's Unit from financial losses connected with the Unit; such policy shall cover standard perils such as fire, and, to the extent commercially available, include coverage for accidental damage, malicious damage by tenants, and rent guarantee insurance.

18.10.3. Proof of Insurance.

Notwithstanding the foregoing, selection preferences based on age in the rental of a Shareholder's Unit, imposed in accordance with Section 51 of the Civil Code or a federally approved housing program, as may be applicable, shall not constitute age discrimination.

18.11.2. Criteria for Eligibility.

RULES ON ELECTRIC VEHICLE CHARGING STATIONS****1. Introduction**

The Seal Beach Mutual No. Fourteen (“Mutual”) recognizes the benefits that electric vehicles have on the environment, promotes, and encourages the use of electric vehicle charging stations (“Charging Stations”) within the Community, and is committed to working with Shareholders¹ interested in installing a Charging Station.

The Mutual’s Board of Directors (“Board”) recognizes that in order to fulfill its responsibilities, it must impose reasonable restrictions on installations of Charging

Stations. Therefore, the Mutual has adopted these Rules on Electric Vehicle Charging Stations (“EV Rules”), which places reasonable restrictions that do not significantly increase the cost of the Charging Station or significantly decrease its efficiency or specified performance. In addition, the EV Rules ensures that a uniform and reasonably high standard of attractiveness is maintained within the Community, and that the Mutual is able to continue to meet its obligations for the maintenance, repair, and replacement of the common area, exclusive use common area and other building components.

The Mutual has established these EV Rules, including the guidelines described below, regarding the installation of Charging Stations within the Community. The EV Rules are based on, and designed to comply with, Civil Code sections 4745 and 4745.1, and as they may be amended from time to time. The EV Rules are designed to aid Shareholders in developing their electric vehicle charging station projects within Mutual expectations, thereby minimizing the time for review and approval by the Board. Interpretation, variances, and implementation of the Bylaws and Rules and Regulations of the Mutual (collectively “Governing Documents”) are at the sole determination of the Board. These EV Rules supersedes any and all previous policies and guidelines promulgated by the Mutual, if any.

2. Definitions

A Charging Station is defined as a station designed in compliance with California Building Standards Code and which delivers electricity from a source outside an electric vehicle into one or more electric vehicles. A Charging Station may include several charge points simultaneously connecting several electric vehicles to the station and any related equipment needed to facilitate charging of plug-in electric vehicles.

An EV-dedicated TOU meter (“TOU Meter”) means an electric meter supplied and installed by an electric utility, that is separate from, and in addition to, any other electric meter and is devoted exclusively to the charging of electric vehicles, and that tracks the time of use (TOU) when charging occurs. A TOU Meter includes any wiring or conduit necessary to connect the electric meter to a Charging Station, as defined in Section 4745, regardless of whether it is supplied or installed by an electric utility.

3. Guidelines for Charging Stations and TOU Meters

All installations and/or alterations of a Charging Station, a TOU Meter, and any wiring or conduit necessary to connect the same must be approved in writing by the Board prior to commencing any construction activities.

Prior to providing its approval, the Mutual requires that the Shareholder provide evidence that he or she has obtained all necessary governmental permits as well as a GRF Permit from the Physical Property Department, as set forth in Section 3.2 of the Rules and Regulations.

SEAL BEACH MUTUAL NO. FOURTEEN**Rules and Regulations**

Any Shareholder who installs or seeks to install a Charging Station and/or TOU Meter without prior written permission and approval of the Board, shall be responsible for all costs incurred to remove, relocate, or modify the Charging Station and/or the TOU Meter, including attorney's fees and costs.

An application for approval shall be submitted, processed, and approved in the same manner as an application for approval of an architectural modification to the property as set forth in the Governing Documents of the Mutual and the following:

- a. Approval or denial of the application shall be made in writing.
- b. If the application is not denied within sixty (60) days from the date of receipt of the application, then the application shall be deemed approved, unless that delay is due to a reasonable request by the Mutual for additional information; and
- c. Approval shall not be unreasonably avoided or delayed.

A Shareholder may install and use a Charging Station and/or a TOU Meter in the Shareholder's designated Carport once application is approved. A Shareholder must meet all applicable health and safety standards and requirements imposed by state and/or local authorities as well as other applicable zoning, land use, and other ordinances or land permits.

A Shareholder seeking to install a Charging Station and/or a TOU Meter for the exclusive use of a Shareholder in a portion of the Common Area that is not the Shareholder's designated Carport shall be authorized by the Mutual only if installation in the Shareholder's designated Carport is impossible or unreasonably expensive, as determined in the sole discretion of the Board.

Where any portion of the project impacts Common Area/components and/or or Exclusive Use Common Area/components, the Mutual will require that the Shareholder enters into a release and indemnification agreement with the Mutual for the alteration/use of the space in the Common Area, subject to applicable provisions of the Davis-Stirling Common Interest Development Act ("Davis-Stirling Act") and any reasonable restrictions imposed by the Mutual. The cost for the preparation of such an agreement is \$600.00 subject to change (plus the cost of recordation), to be paid by the Shareholder.

A Shareholder must meet all applicable health and safety standards and requirements imposed by state and/or local authorities as well as other applicable zoning, land use, and other ordinances or land permits.

In compliance with the applicable provisions of the Davis-Stirling Act and the Governing Documents, the following requirements must be met if a Charging Station

- b. Shareholder must obtain prior Board approval and agree in writing to do each of the following: (1) comply with all Mutual architectural standards; (2) utilize a properly licensed and insured contractor to install the Charging Station and/or the TOU Meter; (3) within fourteen (14) days of approval and annually thereafter, provide a certificate of insurance that names the Mutual as an additional insured under the Shareholder's insurance policy in the amount of not less than one million dollars (\$1,000,000.00); (4) pay for all electricity usage associated with the Charging Station; and (5) enter into a License Agreement and pay for the costs of same.
- c. Shareholder and each successive owner of the Charging Station and/or the TOU Meter shall be responsible for all of the following: (1) costs for damage to the Charging Station, and/or TOU Meter, Common Area, Exclusive Use Common Area, Units, and any other property resulting from the installation, maintenance, repair, removal, or replacement of the Charging Station and/or the TOU Meter; (2) costs for the maintenance, repair, and replacement of the Charging Station and/or the TOU Meter until it has been removed and for the restoration of the Common Area after removal; (3) costs of electricity associated with the Charging Station; (4) disclosing to prospective shareholders of the existence of any Charging Station and/or the TOU Meter of the Shareholder and the related responsibilities of the Shareholder under this EV Rules and the Davis-Stirling Act, specifically Civil Code sections 4745 and 4745.1, and as it may be amended from time to time; and (5) maintaining a homeowner liability coverage policy in the amount of not less than one million dollars (\$1,000,000.00) and naming the Mutual as a named additional insured under the policy with a right to notice of cancellation.

The Mutual shall have no obligation to resolve any disputes related to allegations or claims that any Shareholder or other person has used another Shareholder's Charging Station and/or the TOU Meter without permission, or that any Shareholder or other person has damaged another Shareholder's Charging Station and/or TOU Meter. A Charging Station and/or TOU Meter installed and/or used by a Shareholder at the Mutual, as permitted under these EV Rules, shall be considered a Shareholder's personal property for which the Shareholder is solely responsible.

If required by the Mutual, Shareholder shall retain and pay for the services of a duly licensed structural engineer (as defined in California Business & Professions Code § 6736) to make a determination that the structural integrity of the Mutual building on which the installation will be located is adequate to support the Charging Station to be installed.

The Shareholder-owner of the Charging Station and/or the TOU Meter shall be solely responsible for the increase in any costs to maintain, repair, and/or replace any building components as a result of the installation of the same. The Charging Station and/or the TOU Meter may need to be lifted and/or removed to allow for the ongoing maintenance of the Mutual, and the Shareholder-owner of the Charging Station and/or the TOU Meter shall be solely liable for such costs. In no event shall the Mutual be responsible for the costs of lifting, removing, and/or reinstalling the Charging Station and/or the TOU Meter, or for any increase in the Shareholder's expenses during times which the Charging Station and/or the TOU Meter is inoperable for any reason.

Prior to the sale or transfer of any Charging Station and/or the TOU Meter equipped property, either: (1) the Charging Station and/or the TOU Meter must be removed from the Common Area and the same put back into its original condition at the Charging Station and/or the TOU Meter Shareholder's sole cost and expense; or (2) the transferee of the stock must, within fourteen (14) days of purchase, provide a certificate of insurance that names the Mutual as an additional insured under the new owner's insurance policy in the amount of not less than one million dollars (\$1,000,000.00); and agree to assume, abide by, and be bound by all of the terms of these EV Rules.

The Mutual shall retain the right to inspect the Charging Station and/or the TOU Meter and verify that installation adheres to all of the provisions of the EV Rules. Any and all costs incurred by the Mutual for a professional inspection of the Charging Station and/or the TOU Meter and/or its installation shall be the sole obligation of the Shareholder of the same.

In any action resulting from a dispute between the Shareholder(s) of the Charging Station and/or the TOU Meter and other Shareholder(s) of the Charging Station and/or the TOU Meter and the Mutual, related to the installation of the same, or any provisions of this EV Rules, the prevailing party shall be awarded its reasonable attorney's fees.
